Dear Member,

Super Money Eligible Rollover Fund – Important Changes

We are writing to inform you of some important changes to the Super Money Eligible Rollover Fund ('SMERF').

Change of Fund Administrator / Restrictions on accessing your money

CCSL Limited ('Trustee') has recently reviewed the provision of administration services for SMERF and decided to move the provision of administration services for SMERF to Diversa Superannuation Services ('DSS') from 1 April 2014.

What does this mean for you and your SMERF membership? Essentially nothing, you will continue to have the same services and reporting that has always applied within SMERF. As a result of the change in administrator, there will be some short term restrictions on accessing your account. There will be a brief period between 1 April 2014 to 16th April 2014 where you won't be able to withdraw your money from the Fund. Any withdrawal requests received during this time will be processed as soon as possible after the 16th April 2014.

Your benefits will continue to remain within the Fund and fully invested during this period.

Authorisation of SMERF

Recent reforms have meant that trustees of eligible rollover funds, such as SMERF, were required to apply to the Australian Prudential Regulation Authority for authorisation to continue to operate an ERF (ERF authorisation). The Trustee of SMERF obtained their ERF authorisation on 8 October 2013.

Please contact the Fund administrator on 1800 114 380 if you have any queries.

For and on behalf of the Trustee
